BROOKVINE ANNOUNCES AN ADDITIONAL BOARD DIRECTOR**

Sydney – January 22, 2009

Brookvine, the specialist in alternative investments and fund raising, is pleased to announce that Jack Gray has joined the Board as a Director of Brookvine Pty Limited.

Since joining Brookvine in early 2008, Jack has played a key role in identifying and assessing alternative investment managers, engaging with investors and asset consultants, and providing strategic advice to the Board.

“Jack has been a real asset to Brookvine over the past year, and we are delighted to welcome him onto our Board,” said Steven Hall, Brookvine’s Managing Director.

Jack is a leading investment practitioner and academic. Previously he was Co-Head of Asset Allocation at GMO in Boston, and before that Chief Investment Officer at SunSuper, a leading Australian superannuation fund. Jack has also held the position of Executive Director of AMP Asset Management. Published widely in both academic and practitioner journals, he is also an Adjunct Professor of Finance at the Paul Woolley Centre for Capital Markets Dysfunctionality at the University of Technology, Sydney.

“Since joining Brookvine I have been most impressed by the calibre of managers it represents and its rigorous, investment-driven approach to identifying, assessing and selecting new alternative investment opportunities and managers. Joining the Board was a natural next step for me.”

Jack joins Steven Hall (Managing Director), Kerstin Sallows (Managing Director and Chairman) and Robert Estcourt (Chief Operating Officer) on the Board.

Steven Hall said that with Jack’s appointment to the position of Director, along with the recent appointments of Kristen Westwood (Senior Consultant), Tim Peters (Senior Analyst) and Jeanne-Marie Dorner (Marketing Co-ordinator), Brookvine was now better resourced than ever before.

“With a team of eight professionals actively engaged in research and fund raising, located in Sydney and the UK, Brookvine is well placed to identify and raise capital for a select universe of top-tier alternative fund managers” adds Hall.

Brookvine Pty Ltd, founded in 2001, holds a firmly established position in the Australian alternative asset market, having raised over \$A7bn to date.
